Sir,

Adverting to Government Order No.2630-35/C.B.164-36-1, dated the 16th April 1937, directing the retirement from service of Dr. Werner Rosenthal, Professor of Pathology, Medical College, Mysore, on the expiry of the present term of his employment, I am directed to state that according to notification No.1493/C.B.64-34-4, dated the 9th January 1935, Dr. Rosenthal was appointed Pathologist, Krishnarajendra Hospital, Mysore, from the 2nd January 1935; and in Government Order No.G.8740-2/Med.261-34-3, dated the 26th March 1935, he was permitted to count service, as a special case, from the 17th November 1934. According to the second order of the 26th March 1935, the period of three years will expire in the middle of November 1937. According to the present scheme of studies in the Medical College, the course of studies for the III Year M.B.B.S.Class in which Pathology is taught commences in January and ends in December. Consequently it will be very inconvenient to arrange for the relief of Dr. Rosenthal in the middle of November, 1937. I am, therefore, to request that sanctio of Government may kindly be accorded for the retention in service of Dr. Rosenthal until the end of December 1937 in order that he may be enabled to finish the course of instruction and the conduct of the examination in December. A copy of letter No.2211, dated the 5th June 1937, from the Principal, Medical College, Mysore, is enclose

Regarding Dr. Rosenthal's leaving, I would suggest that Government be willing, and if it be possible, he may continue for a month longer in order to finish the Course in Pathology lectures for th long term and up to the examinations. This will be to the advantage of the students in many ways.
